Sports & Entertainment

Broadcast

Regardless of location, if you have a message to communicate then our digital signage solutions are the perfect fit for you! Control all your messaging centrally and ensure you are always relaying fresh and current content to your guests.

Interactive

Utilizing interactive displays engages the customer and enables them to make active purchasing decisions from booking tee times to making restaurant reservations or keeping up to date with your latest social media posts.

Entertain

Keep your members and guests up to date with live sporting events or current news events whilst they relax before or after a round of golf.

Hospitality

For the hospitality industry, One Step Solutions is in a unique position to be able to offer an extensive range of technological solutions to broadcast your message in a dynamic and eye catching way, increase message recall, influence guest behaviour and interact directly with your target market.

Free Standing Displays

Our Freestanding Screens broadcast dynamic and engaging messaging in an impactful way that captures a guests attention. When first impressions matter, the ability to display information & promotional messaging can ensure a guest is receiving the latest information relevant to their stay.

Virtual Concierge

A 'must have' for all forward thinking venues hoping to enhance the experience for their guests by providing them with relevant information at the touch of a finger. Restaurants, reservations amenities weather...the possibilities are endless—have total control.

Taxi & Transport

The network of displays will inform riders of the various products and services in and around Whistler & Vancouver, as well as entertain them during their trip. Advertisers will be able to display both static and video advertisements for a specified time. Content is updated on demand via a Wi-Fi connection that is available in each taxi.

A customer taking a taxi ride is a captive audience for the time they're in the car. This makes digital signage in this environment the perfect...

...advertising vehicle and is also the perfect medium to provide informative and helpful information to improve their journey.

The BC taxi association is large and powerful organization, lets engage the industry and incorporate technology to benefit the consumers, the local businesses all our beautiful city!
